Little Elm Fire Department Auxiliary Announces Partnership with Little Elm Box 620 Support Co. to Host 12th Annual Charity Golf Tournament!

LITTLE ELM, Texas – March 15, 2021 – Little Elm Fire Department Auxiliary (“LEFDA”) has announced that it is partnering with Little Elm Box 620 Support Co. (“Box 620”) to host its 12th Annual Charity Golf Tournament on Friday, April 23 at The Tribute Golf Course in The Colony.

The Annual Charity Golf Tournament is LEFDA’s highly popular fundraiser which helps provide support to first responders of Little Elm and surrounding areas, raise awareness about fire safety education, and support the “injury and/or loss of life while on duty” assistance program. This great event includes prize opportunities for participants, including hole-in one and closest to the pin, as well as an awards dinner in the evening.

“Now that events are opening back up, we wanted this year’s event to be its best ever,” said LEFDA President Jennifer Villalpando. “Combining our volunteer teams provides a better workforce to run the tournament effectively and efficiently.”

Box 620 provides safety, rehabilitation, and assistance to first responders within Denton and Collin Counties, making it the perfect organization for LEFDA to partner with.

“This is an excellent opportunity to unite our shared passion for serving those who serve us all,” said Box 620 President Yvonne Allen-Esakoff. “We look forward in helping host this very honored event.”

This year’s event will be temporarily named the Little Elm Fire Department Box 620 12th Annual Charity Golf Tournament until a Title Sponsor is secured. It will be held on Friday April 23, 2021 at The Tribute Golf Course in The Colony. Registration is now open for both player packages as well as sponsorship packages.
